Maybe you can **attend this class for free** by having the Banksters Pay for this Workshop by putting your class registration fees on the cards you're discharging. How Sweet is that?

"The rich rule over the poor, and the borrower is slave to the lender."

Proverbs 22:7

Benefits from attending this Workshop.

1. How money works and how debt is created by offering Credit to their slaves.
2. You'll learn how to leverage your cash and how to "bank" privately and not support the War Petro-Dollar.
3. You learn how this Lawful process is not about harming anyone or a remedy that violates the scripture, good morals and/or ethics and you'll realize the value of always having cash in your pocket and the way it changes your buying habits.
4. You'll learn how to write proper Validation Letters to how to compel the banks to Discharge your alleged debt.
5. You learn how to write proper Default Letters that will be your evidence to provide to the calling debt collectors and stop their pursuit of your money.
6. In this Workshop you'll learn how to deal with debt collectors and how to stop those collection letters and annoying phone calls.
7. You'll learn how to determine if a debt attorney is actually moving to court or bluffing you to get you to pay. You'll realize that they have bought this alleged debt pennies on the dollar.

How much money could you save if you had no debt or income tax liability?
